Monday: 8 to noon and 2 to 6; Wednesday: 2 to 6; Saturday: 8 to 4.

LIBRARY HOURS

Monday: 10 to noon; Wednesday: 3 to 8; Friday: 3 to 9; Saturday: 10 to noon.

AMERICAN REVOLUTION BICENTENNIAL MEDAL LITCHFIELD, NEW HAMPSHIRE 1976

LITCHFIELD TOWN SEAL

The design is Litchfield's new town seal. Focal point of the seal is the Town Hall, which was built in 1851 with timbers believed to have been salvaged from the 1737 meeting house.

Flowing in front of the Town Hall is the Merrimack River, the town's western boundary. The river, prior to the advent of the railroad, was a major route for the exchange of goods, including Litchfield-manufactured bricks which were shipped by boat to Nashua, Lowell and other downstream cities-in-the-making. Corn shocks symbolize Litchfield's agricultural enterprises, present and past.

The Indian represents the Naticooks who once roamed the town but whose only remaining traces are stone implements occasionally found along streams. The small portion of westerly river bank recalls that for 12 years after its 1734 incorporation, Litchfield included the territory now known as the Town of Merrimack.

Major elements for the seal were taken from a pen and ink drawing by Heidi Hale, 19, first place winner in the seal contest sponsored by the Litchfield Historical Society. Second place winner was Denise Constant, 12, whose crayon drawing inspired the addition of the Merrimack River. Their concepts were adapted into a seal by Woodbury & Co., Inc., Worcester, Mass.

Creation of a seal was a bicentennial project of the Litchfield Historical Society. Seal design committee members included: Roland E. Bergeron and Claudette T. Durocher, co-chairmen; Cecile G. Durocher, secretary; Eugene N. Pelkey; Selectman Paul M. Nicholas and the late Florence C. Center. Research was provided by Lewis C. Goffe, Historical Society president.

BICENTENNIAL COMMEMORATIVE

The reverse of Litchfield's commemorative medal honors the memory of those who served in the American Revolution 200 years ago. The number is 55 in the center of the medal struck by V.H. Blackinton Co., Attleboro Falls, Mass., refers to the number of Litchfield men believed to have left town for battle, according to available records. Many others served on a standby basis.

Litchfield, as of the 1775 census, had a population of 284. Special taxes were imposed to finance the war effort and citizens were asked to supply provisions. In 1779, the then considerable sum of \$1,000 was appropriated to raise men to fill the town's quota for the army. It is not known where all the Litchfield men served but sketchy reports show some among units at Bunker Hill, Ticonderoga, Fort George, New York City and Valley Forge.

**LITCHFIELD LIBRARIAN
1915 – 1975**

**LITCHFIELD TEACHER
1911 – 1913, 1923 – 1925, 1943 – 1955**

Florence Caroline Center was born in Litchfield on May 26, 1888 and died here April 2, 1975, having lived here all her life. She was educated in the Litchfield school and was graduated from Manchester High School in 1906. She taught school in Merrimack, Pelham, Londonderry, and Litchfield before attending Lowell Normal School where she was graduated in 1916. Later she taught in Bennington and Litchfield and attended summer school at Keene and Plymouth Normal Schools.

On the death of her mother in 1915 she was appointed Librarian, a position she held for 60 years until her death in 1975.

She was active in many civic and social organizations including the Ladies Social Circle, The Litchfield Historical Association, and the Litchfield Presbyterian Church. She was a charter member of the G.F.C.'s and of the Litchfield Historical Society, and just before her death she received her 70 year certificate and pin from the Naumkeag Grange. Her last civic contribution was as a member of the Committee to choose the seal for the town of Litchfield.

Many citizens of the town are her former pupils and in some families they span three generations. As librarian and teacher she was always prepared to identify plants, birds, rocks, and other natural objects for patrons and students, and to search endlessly for lost ancestors or elusive pieces of information.

THE STATE OF NEW HAMPSHIRE

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:00 P.M.

To the Inhabitants of the Town of Litchfield in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Griffin Memorial School in said Litchfield on Tuesday, the 2nd day of March, next at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To vote, by ballot, on the following questions:
 - 1) Are you in favor of changing the Subdivision Regulations requiring the Sub-divider to install street signs?
☐ YES ☐ NO

Subdivision Regulations

9.3.C. Change to Read –

before acceptance of the road, street signs of an approved design shall be erected by the sub-divider on each intersection.

- 2) Are you in favor of adopting the Flood Plain Conservation District as delineated by the Army Corp of Engineers?
☐ YES ☐ NO

FLOODPLAIN CONSERVATION DISTRICT

A. General

The Floodplain Conservation District is hereby determined to be those areas delineated by the U.S. Army Corps of Engineers as being within the 100-year floodplain of the Merrimack River.

The Floodplain Conservation District as herein defined is shown on a map or maps designated as the Town of Litchfield Floodplain Conservation District Map and is a part of the “Zoning Map” of the Town of Litchfield, New Hampshire.

The Floodplain Conservation District shall be considered as overlaying any other Districts established by this Ordinance. Any use permitted in the portions of the Districts so overlayed shall only be permitted subject to all provisions of this Section.

In the event an area is incorrectly designated as being within the 100-year floodplain on the Town of Litchfield Floodplain Conservation District Map and evidence to that effect is satisfactorily presented to the Town Building Inspector, the restrictions contained in this Section shall not apply.

B. Purpose

The purpose of the Floodplain Conservation District is to ensure that development on land within the District will not endanger the health, safety, and welfare of the occupants of land within the floodplain or the public during times of flood, and to encourage the most appropriate use of land within the community.

C. Permitted Uses

Permitted in the Floodplain Conservation District shall be any use permitted in the underlying zoning District which does not involve the erection of any new building or structure, the enlargement of any existing building or structure, the permanent storage of materials or equipment, or the dumping, filling, dredging, or excavation of any material.

D. Special Exceptions

1. The Zoning Board of Adjustment, after proper public notice and public hearing, may grant special exceptions for the following uses within the Floodplain Conservation District, the application for such uses having been referred by the Board to the Planning Board, the Conservation Commission and the Health Officer and reported upon by all three prior to the public hearing or thirty days having elapsed following such referral without receipt of such reports:

a. The erection of new and the enlargement of existing non-residential buildings and structures.

b. The temporary storage of materials or equipment.

c. The alteration of the surface configuration of land.

d. The use of land within the Floodplain Conservation District to satisfy minimum lot area and setback requirements and to constitute part of a gross tract area to which a residential density factor is applied.

2. Special exceptions for uses within the Floodplain Conservation District may be granted provided that the following conditions are met, the burden or proof for which shall be upon the developer who shall furnish such engineering and hydrological data as is reasonably necessary:

a. That the proposed construction, use and/or alteration of the surface configuration of land shall be consistent with the purpose of the Floodplain Conservation District and is otherwise permitted by the Zoning Ordinance.

b. That the proposed construction, use and/or alteration of the surface configuration of land will not substantially obstruct or divert flood

flow, reduce natural floodwater storage capacity, or increase storm water runoff velocity so that water levels on other lands are substantially raised or danger from flooding increased.

c. That safe means of vehicular and pedestrian escape are provided in the event of flooding.

d. That the proposed methods of drainage and sewage disposal will not cause pollution or endanger health during flooding.

3) Are you in favor of stopping loam by-products (“Sod” greater than ½”) from leaving Litchfield?

☐ YES NO ☐

Removal of Sod & Loam –

Loam and loam by-products (sod farming) will not be allowed to leave the Town of Litchfield except under the following exceptions:

- 1. Loam removed from any area being excavated for Buildings, Farm Ponds, Man-Made Lakes, Land Contouring, Swimming Pools, Streets and Driveways.
- 2. Green House Products.
- 3. Sod Farming, provided that it was not grown in previously stripped areas, flood plains, wet lands and the loam does not exceed ½ inch in thickness.
- 4. Any person importing loam into Litchfield may export same.

4) Are you in favor of the maximum growth ordinance, limiting fifty (50) houses per year to be built in Litchfield excepting those persons who wish to only subdivide two (2) house lots?

☐ YES NO ☐

Maximum Growth Ordinance –

Purpose – Due to limited space available in our schools and the borrowing power of the town for school expansion and cost of municipal services; it becomes necessary to limit the houses to be built in Litchfield.

To provide for the orderly growth of the Town of Litchfield without endangering the financial welfare of the town.

To reduce the financial burden to the residents of the town from rapidly increasing property taxes caused by rapid residential growth in the town.

Plan —

1. that no more than fifty (50) single family dwelling units be permitted to be built in a calendar year.
2. that each sub-divider be granted Building Permits on the 1st, 4th and 8th months of the calendar year.
3. That each sub-divider be granted an equal share of Permits, based on the percentage of lots in an approved sub-division at the issuing period.
4. Any subdivider of two (2) house lots will be excluded from this ordinance.

5) Are you in favor of establishing a light commercial zone?

☐ YES ☐ NO

LIGHT COMMERCIAL ZONE

General —

The light commercial zone is hereby identified and delineated as the following areas:

1. Route 3A West side from town line South to the Reeds' Ferry Crossing.
2. Route 3A East side from Reeds' Ferry crossing to the North steel power lines.
3. Route 102 — both sides of Litchfield.

Light Commercial Zone is described as follows:

1. Light Factory Production.
2. Stores and Shopping Centers.
3. Professional Offices.
4. Produce Stands.
5. Restaurants.
6. Retail Sales.
7. Warehousing.

Space Requirements —

Frontage: 200 ft. with the exception of Gasoline Stations that will require 300 ft.

Set back: 50 ft. from property line.

Sides: 20 ft. from both sides.

Advertisements —

Signs: a maximum of 32 st. ft. with reader boards maximum of 32 st. ft.

Sign set back: minimum 10 ft. from property line.

Site Review —

The Planning Board may approve or disapprove site plans for all commercial development, including signs.

You are hereby notified to meet at the Griffin Memorial School in said Litchfield on Friday evening, March 5, at seven of the clock to act upon the following subjects:

3. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to impose a dog leash law requiring all owners to kennel, tie or in some way restrain their dogs at all times from running at large. Dogs are not considered at large if under the control of the owner while hunting or on the owners premises. Failure to comply with the law will result in the owner being fined \$15 for each offense.

5. To see if the Town will vote to pay \$3 per hour for all hourly rated town employees. (By Petition) Recommended by the Budget Committee.

6. To see what action the town will take to require the minutes of all meetings of town officials to be posted in the first floor hallway of the town hall. In accordance with R.S.A. 91-A:1-8. (By Petition)

7. To see if the Town will vote to rescind an action taken at a previous town meeting, whereby the police chief was to be elected annually. RSA 41:47 and RSA 105:1.

8. To see if the town will vote to withdraw from the capital cruiser fund the sum of \$4,000 to purchase a 1976 police model cruiser. Selection of make and model to be responsibility of the Selectmen and the Police Chief by the acceptance of an advertized bid. Recommended by the Budget Committee.

9. To see if the town will vote to raise and appropriate the sum of \$1,218 for the purchase of a radio, strobe lights, electronic siren, P.A. system, speaker, and shield protection divider. This equipment to be installed in the new cruiser. Recommended by the Budget Committee.

10. To see if the Town shall vote to allow the Board of Selectmen to expend money turned over to the Town under grants or subsidy programs.

11. To see if the Town will vote to raise and appropriate the sum of \$500 for two air conditioner units for the town hall. Without recommendation by the Budget Committee.

12. To see if the Town will vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as a priority purpose and in the

amount indicated or take any other action hereon: Town Road Construction \$10,000. Recommended by the Budget Committee.

13. To see if the Town will vote to appropriate \$1,000 to hire a summertime recreation director and authorize the withdrawal of the amount required for this purpose from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972. Without recommendation by the Budget Committee.

14. To see if the Town will raise and appropriate the sum of \$50 for the town's membership dues in the Merrimack Valley Region Association. Without recommendation by the Budget Committee.

15. To see if the Town will authorize the Selectmen to enter into an agreement with the Town of Derry to lay pipe along Corning Road from the Londonderry town line to the intersection of Corning Road and Route 3A. This pipe is to be used for carrying treated waste water from the Derry Waste Water Treatment Plant to the Merrimack River.

16. To see if the Town will authorize the Selectmen to withdraw \$300 from the Town Conservation Fund for the purpose of appraising two lots which have been deeded to the Town. The appraisal is necessary to meet the requirements for matching funds. Recommended by the Budget Committee.

17. To see if the Town will raise and appropriate the sum of \$600 for a contingency fund. Recommended by the Budget Committee.

18. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same, as set forth, posted herewith and to consider each item in whole or in part.

19. To transact any other business that may legally come before said meeting and read the minutes of said meeting.

Given under our hands and seal, this 14th day of February, in the year of our Lord nineteen hundred and seventy-six.

Grace C. Briggs
Auditors
Litchfield, N.H.

February 2, 1976

AUDITOR'S REPORT FOR THE YEAR 1975

This is to certify that we have examined the vouchers, bank statements, cash books and other ledgers, finding them in order, to the best of our knowledge.

All Revenues have been accounted for, deposited and all authorized expenditures, with necessary signatures, were supported by invoices and payrolls.

The Revenue Sharing Escrow Account has been audited. A complete report of income, deposits and expenditures is on file at the Selectmen's office.

TOTAL	\$869,000.00

POLICE CHIEF'S REPORT

In 1975, the Town of Litchfield added a full time officer to the Police Department. After careful consideration, the man chosen for the position was Kevin O'Leary, a former Manchester Police Officer. He has served his probationary period well and is now a permanent officer with the department. We find him a sincere and dedicated person with a very good knowledge of police matters and a lot of common sense.

We were also fortunate to secure a grant from the Traffic Safety Commission, enabling us to purchase the newest radar equipment. With the use of this equipment, we have been able to apprehend many more speeders and have reduced our accidents to a minimum. Also in our cause to lower accident rates, the speed limits on our residential streets have been posted at thirty (30) miles per hour. We have also added stop and yield signs at intersections.

On many occasions we are required to service several calls at once. In order to remedy this situation we have plans to purchase a new cruiser while retaining our present one. This would give us added patrol coverage. On many occasions, court cases, investigations and other police business takes us out of town. The additional vehicle would insure that at least one patrol car would be in town at all times. With the implementation of this, we also plan an increase in our patrol hours on a staggered time system. We feel that this would be an added deterrent and also an aid in enforcement. This year, we have cut our burglaries, and believe we can reduce the criminal activity even more by added patrol. This is especially true in the daytime when people are at work. As always we ask that when you plan a vacation to contact us and let us know when the house will be vacant.

At the Town Business Meeting, you will be asked to vote on a warrant article concerning the administration of the Police Department. The warrant article will be, that effective March 1977, the Board of Selectmen will appoint the Chief of Police. With the growth of Litchfield and the increase of police activity, it is necessary to have a stable and continuous administration. In order to receive the many state and federal grants which the department depends on, it is necessary to have good, professional administration. It is our belief that the Town can accomplish the effective law enforcement it needs through this article.

Some of you may be wondering about my position. At the end of 1976, I will complete my 40th year in law enforcement. My career began in the "great flood" of 1936. Since that time, I have seen Litchfield grow from 210 people to its present population of over 2400. It has been a satisfying experience, but it is my wish to step down now and turn the department over to a qualified man.

David A. Campbell

REPORT OF THE FOREST FIRE WARDEN

Upon the recommendation of town selectmen and city councils, the Division of Forests and Lands appoints a forest fire warden and several deputy forest fire wardens in each town and city every three years. The town or city warden is responsible for maintaining a force of men and adequate equipment to suppress any wildfire that occurs in his town or city during his term of appointment. The fire warden must authorize all open burning when the ground is not covered with snow. No open fires can be authorized between 9 a.m. and 5 p.m., unless it is raining, without the additional permission of the state district fire chief.

Any person wishing to kindle an open fire when the ground is not covered with snow must first obtain the written permission of the forest fire warden. Camp and cooking fires also require the warden's permission.

The Division of Forests and Lands, through its Forest Fire Service, assists all cities and towns in meeting these requirements by training the warden and deputy forces in wildfire suppression tactics, making hand tool suppression equipment available at fifty percent of cost, supplying pieces of Federal excess property for use as fire attack vehicles and sharing up to fifty percent of the cost of wildfire suppression costs.

Wildfire prevention is also a joint state, city or town program. Smokey Bear is available from the Forest Fire Service for local fire prevention programs. Posters and Junior Ranger kits are available for distribution by local fire departments upon request to the Forest Fire Service. Each forest fire warden is expected to carry on a continuous wildfire prevention program within his town or city.

1975 FOREST FIRE STATISTICS

State: No. of Fires — 800; No. of Acres — 718.

District: No. of Fires — 355; No. of Acres — 188

Town:

Ronald Mason
Forest Fire Warden
Ralph Stevens
District Fire Chief

ANNUAL REPORT OF THE FIRE CHIEF

FIRE HOUSE, LITCHFIELD "76", has come a long way from the early days when it was established by Farmer French in the year 1946. The first engine was purchased by a group of interested Volunteers. They tucked the "shiny" used engine away under a barn, with pride and intentions of establishing fire protection for the town of Litchfield.

In early years the communication alert system used was the telephone, which, had a lot to be desired. Only a few years passed and a need to establish a Fire Station became quite evident. Donations for cement blocks, timber from the woods were gathered and the project began with the cooperation of a few dedicated men.

As time passed, the need for expansion became evident, therefore, the decision was made for the town to take over the present station and use town monies to make the necessary expansions for proper fire protection.

Only through the concern of Litchfield citizens and the interest of a few dedicated men has the department grown to the point it is today. In the twenty-nine years that the Fire Department has been in existence there has only been six Fire Chiefs, five of whom are still living in Litchfield. They are: Wesley French, Robert Jerry, Leon Calawa, Jr., Arthur Burgess, Lawrence Olson, Sr. and Ronald Mason.

The fire department is protecting an access valuation of over thirteen million dollars. Yet, the total budget does not exceed .0046%. This certainly proves that everyone is doing their "job".

Through the efforts of the fire department we have acquired a military vehicle 6x6. The forestry department received a sum of \$2400 of matching funds for the town to purchase this truck which was put into service September 1st.

The members of the department are to be congratulated and the citizens are to be thanked for cooperation shown towards the department.

Respectively yours,
Ronald Mason
Fire Chief

ANNUAL REPORT LITCHFIELD CONSERVATION COMMISSION

Three dredge and fill permit applications were filed through 1975. Two were challenged--residential streets planned across Brick Yard Brook less than a mile west of a major road crossing mapped out by the Planning Board. The subdivider, Planning Board, Nashua Regional Planning Commission, and Conservation Commission negotiated a two-crossing compromise, including the arterial route, and worked out a pedestrian easement providing public access to the brook while not disturbing privacy rights of neighborhood homeowners.

More disappointing was a recreation site proposed for the Page Road area. Deeds to two parcels of donated land were presented to officials in January. In June, the Commission applied for Bureau of Outdoor Recreation funds for development of one lot and purchase of an adjoining one. An appraiser was hired to assess the property, as required by B.O.R. Meanwhile, the unfiled deeds were misplaced. When replaced in November, the lot for which the Commission was negotiating had been sold as a house lot, and the appraisal money was lost. In December, the Commission voted not to risk more taxpayer money in the venture at this time.

On a more positive note, Commission member Nancy Hendrick was elected a director in the New Hampshire Association of Conservation Commissions.

Assistant Chairman Raymond Durocher participated in a Regional Open Space Committee formed by the Nashua Regional Planning Commission.

Land leased by Dr. Lewis Goffe for a wildlife refuge was officially named Isaac McQuesten Wildlife Sanctuary in honor of Dr. Goffe's grandfather, who'd owned the property. The Commission took on the duty of identifying its borders and posting the land against trespass.

We again sponsored a local teenager (Holly Hokenstrom) to Conservation Camp. Families interested in details for the June, 1976 Camp are invited to contact any Commission Member.

At the request of numerous citizens, we researched the effects of turf farming on agricultural land. While reserving final judgment until results can be seen locally, we have found no indication that a competently managed sod operation will prove detrimental to the soil. Its effects upon the food-growing industry cannot yet be determined. We encourage the Planning Board in its efforts to formulate regulations which will be fair to responsible turf farmers while discouraging shoddy operations from moving into town.

Diane Jerry, Chmn.

Raymond Durocher, Asst. Chmn.

Janet Kelsey, Sect'y.

REPORT OF THE RECREATION COMMITTEE

During the past year, the Recreation Committee supervised the formation of the Litchfield Girls Softball League. During the summer months, the three teams played each other with the championship play-offs being held at the Annual Family Field Day. During the coming year, we hope to schedule games with surrounding towns. Plans are also being formulated to initiate a school girls basketball league.

Playground equipment, including a nine-seat swing set and a jungle jim were set up at the North End Recreation Park. The children have really made good use of this equipment and it is hoped that similar facilities will be developed in other areas of the town.

The remaining balance in the Matching Fund Account for the North End Recreation Park was expended. The money was used for grading and leveling a section of the land North of the existing ball park for the future development of additional recreational facilities. At this time, nothing definite has been proposed and suggestions would be welcomed.

The Senior Citizens Club has continued to function and meet on a regular basis. During the month of May, a full course turkey dinner was given by the Committee and all Senior Citizens of the town received personal invitations by mail. The turn-out was quite disappointing and members of the Committee, who had worked so hard in preparing for this dinner, have suggested that we reconsider putting on this activity again in the future.

The regularly scheduled activities of the committee were again quite successful this year. The Family Field Day hosted the biggest crowd in its five year history. Unbelievable amounts of hot dogs and corn were consumed and both young and old enjoyed themselves. The Halloween party also proved to be quite popular with the youngsters as they played the traditional games and were awarded prizes for their skills and costumes.

The Committee sponsored a Bean Supper with tickets going for the unbelievable price of 50 cents a head. The response was quite encouraging and a similar supper will be considered again for next year.

There are many other programs and activities that could be enjoyed by the residents of Litchfield. However, all this requires man-power. The Committee has a limited staff of five devoted people who can only do so much. Litchfield is as much your town as it is theirs. So show that you care about what's happening in your town by helping us develop recreational programs that will benefit both you and your children now and in the years to come.

HEALTH DEPARTMENT

REPORT OF THE HEALTH OFFICER

The following is a report of activity for the calendar year 1975:

DESCRIPTION	Cases	Permits
Individual Sewage Disposal System		77
Well Permits		38
Inspection of sewage disposal systems	89	
Laboratory analysis of individual water systems	20	
Laboratory analysis of public water	10	
Inspection of food service establishments	3	
Mobile Home Park Inspections	2	
Dog Bites Reported	12	
Complaints Investigated	31	
Violation cited	10	
Inspection of Test Pits, Conducting Percolation rate measurements	32	
Reviewing proposed subdivision sites for location of test pits and wet lands	11	
Inspection of Foster Homes and Day Care	8	
TOTAL	228	115

EXPENDITURES INCURRED:

Postage and Certified Mail	\$ 41.20	
Transportation	162.80	
Telephone	80.35	
Office Supplies	123.93	
Health Off. Seminar at U. Mass.	91.57	
Total Expenditures	\$499.85	
Unexpended Balance		.15

REVENUES RECEIVED:

Sewage Permits	\$385.00	
Well Permits	190.00	
Total Revenue Received		\$575.00
Unexpended Revenue Received and Returned to General Fund		\$575.15

R.E. Bergeron
Health Officer

MERRIMACK VALLEY HOME HEALTH CARE ASSOC., INC.

ANNUAL REPORT 1975

“Alternatives to institutionalization” has become a familiar phrase -- a phrase that has turned the attention of communities to ways of caring for people at home. The negative effect of inappropriate or inadequate institutional care for the aging, ill, handicapped, retarded and dependent and neglected children has become very apparent. Emphasis on care of individuals and families at home has focused attention on services that make such care possible -- comprehensive home health care associations.

We are happy to note that our agency offers a broad range of services through its 18 staff members. 160 nursing visits, 22 physical, occupational or speech therapy visits, 2 social service visits and 207 homemaker/home health aide visits taking 384½ hours were provided to residents of Litchfield in 1975. In addition 27 telephone consultations were provided and Litchfield children attended clinics held in our other towns.

Financial problems arose early in the year which necessitated re-evaluation of programs and costs. Though our costs per visit have essentially audited to the same figures as previously, we are finding more people with financial problems who need care but are not able to pay any or only partially for care. Over 70 free visits were made in Litchfield. Broad based funding from many sources continues to require constant search and proposal formulation.

Our Board of Directors continues to be an active group of twenty-one residents of the towns we serve. 1975 Litchfield board members are: Mrs. John Nelson, Mrs. Raymond Moore, and Mrs. Eugene Pelkey.

We welcome volunteer help, requests for information and suggestions on how we may serve you, the community, more effectively. If you have a problem or know of someone who does, we are available through a phone call to our office. 424-3822.

BUILDING DEPARTMENT
REPORT OF THE BUILDING INSPECTOR
YEAR 1975

There were one hundred and twenty two (122) building permits issued during the year 1975 and classified as follows:

Description	No. of Permits	Estimated Valuation
Single Family Dwelling	58	\$2,204,000
Two Family Dwelling	21	1,155,000
Utility Buildings	2	400
Additions and Alterations	13	19,700
Swimming Pools	6	24,000
Commercial Buildings	2	32,000
Church Garage	1	4,000
Fire Places, Chimneys	3	1,200
Garages and Breezeways	12	28,800
Move Single Dwellings	1	1,000
Water Storage Structure	1	15,000
Pump House	1	1,000
Foundation	1	800
Total Permits Issued	122	
Total Construction Estimate		\$3,486,900
Less Church Garage		-4,000
Estimated Increase of Valuation on Completion of Construction		\$3,482,900

EXPENDITURES INCURRED:

Mileage Allowance	342.40	
Postage and Certified Mail	56.48	
Office Supplies & Equip.	40.95	
Printing Forms	79.68	
N.H. Bldg. Official Dues	5.00	
Telephone	55.30	
Attendance at U. Mass Bldg. Conf. & Seminar (5 days)	70.00	
Total Expenditures	\$649.73	
Operating Budget 1975	-700.00	
Unexpended Balance		\$ 50.27

REVENUE RECEIVED:

Building Permits	\$2,356.50	
Subdivision Filing Fees	<u>53.00</u>	
Total Revenue Received		<u>\$2,409.50</u>
Unexpended Balance and Revenue Received, and Returned to General Fund		\$2,459.77

SELECTMEN'S REPORT

This being the Bicentennial year, we the Board of Selectmen, in lieu of writing about our achievements, accomplishments in the year 75-76, felt that congratulatory remarks should be extended to all the people of Litchfield, especially Committee Chairmen and members who gave their time in making our town what it is.

Demands for our time are on the increase but we know the residents will continue to come forward and lend that helping hand. This is Our Town, Your Town and it reflects its people. All the programs we offer will demonstrate how we feel about our community.

The year ahead will indeed provide new challenges, many new homes are being built, new services will be needed. An Industrial Commission is being formed and many studies are being done to better prepare for the future. One thing is for sure, we will continue to grow soundly, always keeping in mind we are a community of people.

Thanks again for your past efforts. We also would like to thank you in advance for your future contributions to our town.

LITCHFIELD BICENTENNIAL COMMITTEE REPORT

A committee was formed in late 1975 to initiate programs for the year 1976.

A bicentennial ball was held at the Griffin School on January 17, 1976. One hundred and sixteen people attended.

Future plans call for Memorial Day exercises which will include dedication of a veterans' memorial to be built in front of the Town Hall.

Fourth of July plans call for a family picnic, square dance exhibition, song fest, block dance and giant bon fire.

Plans are being formulated for a two day Agricultural Fair to be held in September. Festivities will include an agricultural exhibit, antiques, Family Field Day (usually held in August) booths, games, Fire Department demonstration, auction of registered No. 1, 2, 3 silver Litchfield Bicentennial Coins, Police Department exhibit, square dance and many other activities.

The committee is looking for more volunteers to help us with these activities and welcome your support and assistance.

ROAD AGENT'S REPORT FOR 1975

The year of 1975's accomplishments were mainly maintenance of existing roads, replacing 2 culverts which after many years of service and with increased traffic collapsed. These were replaced with a larger diameter for increased volume and a longer length.

It has become more apparent this last year that roads built several years ago, which at that time were adequate for the amount of travel expected, are now proving inadequate for present day travel. It will be necessary either to up-grade or reconstruct these roads as traffic continues to increase, for safety sake.

As prices increase yearly for materials and the town grows with increased roads, it will be necessary to spend more money to maintain our roads at an acceptable level.

Arnold C. Campbell

Fire Chief

DOG OFFICER'S REPORT

In 1975 a total of 201 dog complaints were handled by me and they included the following cases

Hit by cars	15
Dog Bite	14
Damage to Property	11
Attacking Humans	10
Chasing Bikes and Cars	20
Attacking Livestock	53
Shot while attacking Livestock	5
Dogs in Garbage	27
Lost	16
Found	13
Stray	14
Placed in New Homes	3

G. Philip St. Germaine

ZONING BOARD OF ADJUSTMENT

34 Cases Heard

- 1 request to erect two gas pumps, one 10,000 gallon and one 15,000 gallon storage tanks denied.
 - 1 request for attached apartment to rear of existing building granted.
 - 1 request for side variances for addition to existing building denied.
 - 1 request for side variance granted.
 - 1 request to erect a new home and move an existing dwelling, using one well for both dwellings granted.
 - 1 request for a temporary sign denied.
 - 1 request for a temporary sign, rehearing, granted.
 - 1 request for screened porch attached to a mobile home, denied.
 - 1 request for screened porch attached to a mobile home, granted. at a rehearing.
 - 1 business inground pool request granted.
 - 4 requests for lot frontage approved.
 - 1 request for lot frontage denied.
 - 7 requests for sign denied
 - 8 requests for sign granted.
 - 1 small business approved.
 - 1 addition to an existing building approved.
- 2 applicants did not appear.

The board experienced a year of full cooperation from all members, and I wish to thank each one for their attendance to their duties.

Arthur R. Frappier
Chairman

TOWN MEETING

MARCH 4, 1975

Meeting opened at 9:55 A.M. at the Griffin Memorial School with the reading of the Town and School Warrants by the Moderator David A. Campbell. Mr. Campbell read a petition presented to the Moderator, Town Clerk and Board of Selectmen the night before, protesting under R.S.A. 31:64 Zoning regulations as presented by the Planning Board, asking for a 2/3rds vote of all members of the legislative body of the Municipality of Litchfield present and voting on each question. Total acres listed - 2,750. The Moderator declared a 2/3rds vote would be necessary to pass.

ARTICLE 1. Polls opened at 10:05 A.M. and recessed at 7:15 P.M. for supper, served by the Naumkeak Grange. Reopened at 7:55 P.M. and closed at 8:00 P.M. Total number of names on checklist - 808. Total number of votes cast - 310.

Selectman - 3 Years - Carl A. Peterson - 246.

Selectman for 1 year unexpired term - John T. A. Mango - 156

Road Agent - 1 Year - Arnold Campbell - 271

(2) Town Auditors - 1 year - Grace C. Briggs - 243, Barbara J. Larson - 237

Chief of Police - 1 year - David A. Campbell - 274

Constable - 1 year - Edward A. Handley - 148, Durwood G. Stygles - 148. Ballots counted three times, decision made by flip of coin. Durwood G. Stygles declared the winner.

Chief of Fire Department - 1 year - Ronald R. Mason - 250.

(2) Library Trustees - 3 years - Claudette Durocher - 260, Lewis C. Goffe - 239

Trustee Town Trust Funds - 3 Years - Beulah R. Bean - 264

Budget Committee - 3 Years - Thomas H. Moody - 262, Margaret Rodonis - 37

Budget Committee - 2 year unexpired term - Roger E. Somers - 223

Budget Committee - 1 year unexpired term - Ronald Tremblay - 234

Town Treasurer - 3 years - Rosalyn Calawa - 267

Tax Collector - 3 years - Greta A. Lynch - 263

Town Clerk - 3 years - Greta A. Lynch - 263

School District Officers:

Moderator — 1 year — David A. Campbell — 278

School Board Member — 3 years — Philip M. Reed — 256

Clerk — 1 year — Barbara J. Larson — 269

Treasurer — 1 year — Grace C. Briggs — 271

Absentee ballot for School District Officers Yes — 188 No — 62.

ARTICLE 2.

1. Two sessions for annual town meeting: Yes 223 — No 60.

2. Absentee ballot for town officers: Yes 209 — No 64.

3. Authorizing Town Clerk to register voters: Yes 237 — No 23.

4. Wetland Zoning: Yes 207 — No 86. Carried.

5. Cluster Open Space Development: Yes 155 — No 133. Lost

6. Town Houses, Attached Dwellings — Multiple Family Residences:
Yes 90 — No 191. Lost

7. Subdivision Regulation — Fire Hydrants and Water Mains: Yes 216
— No 76. Carried

8. Subdivision Regulations — Town acquire and retain 20% of bond
for two years on Road Construction and Drainage: Yes 206 — No 79.
Carried.

9. Subdivision Regulation - delete word “Drywell” from paragraph
6.0: Yes 146 — No 105. Lost

10. National Electric Code 1975 Edition: Yes 192 — No 73. Carried.

MARCH 7, 1975

Second session for Town Meeting opened at 7:00 P.M. with the pledge of Allegiance led by John Callahan and a prayer by Rev. Robert Higgins. Moderator paid tribute to Miss New Hampshire Teenager of 1975, Carol Moore, daughter of Mr. & Mrs. Raymond Moore of Louise Drive, Litchfield, N.H. Selectmen Carl A. Peterson presented her with a bouquet of red roses.

ARTICLE 3. Motion made by Eugene Pelkey to pass article as read. Seconded by Thomas Moody. Passed

ARTICLE 4. Motion made by Arthur Lynch to pass article as read. Seconded by Roland Bergeron. Passed.

ARTICLE 5. Motion made by Carl A. Peterson to pass article as read. Seconded by Howard Parker. Passed.

ARTICLE 6. Motion made by Carl Peterson to withdraw article. Seconded by Richard Sims. Carried.

ARTICLE 7. Motion made by Carl Peterson to withdraw article. Seconded by Paul Nicholas. Carried.

ARTICLE 8. Motion made by Eugene Pelkey to pass article as read. Seconded by Roland Bergeron. Carried.

ARTICLE 9. Motion made by Eduardo Albuquerque to raise and appropriate the sum of \$101,579.16 to defray Town charges for the ensuing year. Seconded by Richard Sims. Carried.

ARTICLE 10. Thanks given to Selectmen for work on budget by Thomas Moody. Keys to Town Hall and Police Comm. badge presented to John Mango - new Selectman - by Carl Peterson. Thanks given to Thomas Moody - watchdog for Budget Committee. Flood Insurance program not available at present time. Results of election read by Moderator. Motion to adjourn and dispense with reading of minutes by Arthur Lynch. Seconded by Eugene Pelkey.

Respectfully submitted,
Greta A. Lynch,
Town Clerk

LIBRARIAN'S REPORT 1975

LIBRARY HOURS

Monday	10:00 – 12:00 A.M.
Wednesday	3:00 – 8:00 P.M.
Friday	3:00 – 9:00 P.M.
Saturday	10:00 – 12:00 A.M.

TELEPHONE 424-4044

This year has been marked by change at the Library. The death of Florence Center after 60 years of service has left a great void. Many volunteers filled in during her illness and their help was greatly appreciated.

During the first half of 1975, assistant Librarian, Kendall Wiggin, made a great beginning in reorganizing the Library. There is still much to be done and work is continuing at a slow pace.

Litchfield residents have been very generous this year with many donations being received. Among the donors were: Claudette Durocher, Lewis Goffe, Bedford Public Library, Elliot Hospital School of Nursing, Merrimack Public Library, Ray Danielson, Carl Peterson, Charles Sausville, Ken Wiggin, Nancy Desrosiers, Ginna Joslin, Nadine Larrabee, and Holly Hokenstrom. A scrapbook of news clippings was received from Martha Phillips. In addition we received an anonymous donation to be used to purchase children's books. The children's section can always use new books.

Our biggest purchase of the year was a new set of the Encyclopedia Britannica.

Our total circulation for 1975 was 1567. There were 28 new borrowers registered. New titles added were 328. Total volumes is now 9100.

The annual book sale held in the fall was very successful. Proceeds from this sale are used to purchase books and supplies.

The state bookmobile continues to serve us on a quarterly basis and we have greatly increased the number of books borrowed.

As someone who is new to the library and also new to library work, I welcome your suggestions for new books and improvements. I also urge you to use the library. It exists to serve you.

Janet Kelsey
Librarian

AARON CUTLER MEMORIAL LIBRARY

**LITCHFIELD
SCHOOL DISTRICT WARRANT
MARCH 12, 1976**

To the inhabitants of the School District in the town of Litchfield, New Hampshire qualified to vote in District affairs:

You are hereby notified to meet at the Griffin Memorial School in said District on the 12th day of March, 1976 at 7:30 p.m. to act upon the following subjects:

1. To see if the District will authorize the school board to make application for, receive, and expend in the name of the District such advances, grants in aid or other funds or property for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire or any other federal, state, or private agency.

2. To see if the Litchfield School District will appropriate a sum not to exceed two thousand five hundred dollars (\$2,500.00) for a topographic map and feasibility report of District owned land. Results of the study recommending sites for future buildings, outdoor and indoor recreation and athletics, nature trails, wild life preserves and adequate parking areas, each designated area to be marked, mapped and reported to the 1977 Annual School District Meeting (submitted without recommendation of budget committee).

3. To see what sum of money the District will vote for the support of schools, for the payment of salaries for School District officials and agents and for payment of the statutory obligations of the District.

4. By petition of Gloria A. Driggers, Theresa F. Jenkins, Joan R. Hamel and others: To see what action the School District will take to require the minutes of the school board meetings to be posted in the hallway outside the gymnasium of Griffin Memorial School. In accordance with RSA 91-A: 1-8.

5. To transact any other business that may legally come before this meeting.

Given under our hands at said Litchfield on this 18th day of February, 1976.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and
Citizens of Litchfield:

The following paragraphs constitute my report as Superintendent of Schools.

The past school year and the first half of the current year have given evidence of a slow but steady increase in overall student population. With this in mind, the School Board appointed a study committee to investigate all the alternatives to accommodate increased pupil growth. Although it appears to the committee that we will not need additional space until September of 1979, this committee will consider the results of a questionnaire that will be distributed by the Parents Advisory Council before making their final recommendations to the Board. We must remain alert to changes in pupil growth patterns to insure continued availability of adequate space for our educational program.

Our top priority goal as adopted by the Litchfield School Board for 1975-76 is improved education for the handicapped. Toward fulfillment of this objective, we have instituted the position of Director of Special Services to serve both the Hudson and Litchfield School Districts. Mrs. Lisa LeFevre is currently serving in that capacity.

Under Mrs. LeFevre's direction, we have adopted new procedures for the placement of handicapped youngsters in keeping with new federal legislation for the handicapped referred to as PL 93-380. In addition, all handicapped youngsters both attending the Litchfield schools as well as those being tuitioned outside of the districts are being reevaluated in order to insure that we are providing them the best possible educational program at the most reasonable cost to the school district.

A Special Services Parent Advisory Committee as well as a Professional Steering Committee have been established and are presently functioning as separate entities. There are representatives from Litchfield serving on both of these committees. The Special Services Department is also reviewing the pupil reporting system in conjunction with the Parent Advisory Committee and will make a direct effort to improve all lines of communication between home and school.

Another area of the instructional program that will receive direct attention during the current academic year is the reading program. Reading is the central thread that runs through our entire program at the elementary level. The ability to read and our success toward equipping each student with the skills necessary to read is the basis of our entire instructional format. Dr. Jane Westcott of the Dr. H.O. Smith School staff is heading up the committee to complete a review of all materials presently being used in the reading program as well as determining the feasibility of becoming involved in the state "Right to Read" program.

Title IX of the Education Amendments of 1972 prohibits sex discrimination in educational programs or institutions that receive federal funds. The statement is simple, its intent clear. Elementary schools have one year within which to move into full compliance and secondary schools have three years.

We have established a Title IX Committee under the chairmanship of Mr. Robert Keeser, assistant principal of the Dr. H.O. Smith School in Hudson, whose responsibilities will be threefold: First, to evaluate the status of the Hudson and Litchfield School Districts relative to Title IX, Secondly, to establish a grievance procedure and to act as an advisory committee in the matter of grievances and finally, to establish a program of affirmative action that will bring the Hudson and Litchfield School Districts toward full compliance.

The cost of goods and services continues to rise at an unprecedented rate. This fact coupled with a steady increase in pupil enrollment has had an inflationary effect on the cost of running the public schools. With this in mind, we are making every effort to run the schools in as efficient and cost effective manner as possible. I would like to take this opportunity to thank the citizens of Litchfield for your understanding and cooperation in these critical times.

In closing, I would like to thank the School Board, Mr. Donegan, and the entire school staff for their unfailing cooperation, and finally, the citizens of Litchfield for their commitment to excellence in the total educational program.

Respectfully submitted,

Peter G. Dolloff
Superintendent of Schools

REPORT OF THE ASSISTANT SUPERINTENDENT OF SCHOOLS

December 1975

Mr. Peter G. Dolloff
Superintendent of Schools
Litchfield, New Hampshire

Dear Mr. Dolloff:

The following comments constitute my annual report as Assistant Superintendent. The 1975-76 academic year opened very smoothly to 361 students in grades 1-8. With the assistance of parent volunteers and the alertness of the Litchfield staff, all students were immediately directed to their assigned rooms. Thus the first day of school began in a very routine and orderly fashion.

Our most pressing concern is the increased enrollment that we have experienced during the initial months. Although we opened to 361 students, four below our anticipated projection, we have enrolled 18 additional students since the beginning of September. Should the growth pattern continue at the aforementioned rate, we will exceed our designed building capacity of 383 students during the 1976-77 school year. Realistically speaking, a school can house approximately 10% beyond designed capacity with schedule manipulations and grade combinations. However, once this figure is surpassed, the student overload begins to seriously tax the core facilities. Spaces such as the multi-purpose room, library, kitchen, lavatories, and corridors cannot adequately accommodate the increased student body. Based on our present pupil projections, assuming all variables remain relatively equal, we will have 427 plus students in September 1978.

Recognizing the potential growth factors, the Litchfield Board initiated a study committee to investigate the various alternatives open to the Litchfield School District should the economy stabilize and the growth rate materializes at an accelerated pace.

To date, the committee has reviewed the recent figures submitted by

the Litchfield Planning Board, reviewed with the architectural firm of Fenton Keyes phase II and III of the proposed expansion plans developed in 1972, analyzed enrollment projections and discussed such alternatives as year round education, portable classrooms, double sessions and temporary housing.

To gain additional input from the community at large, the board plans to conduct a survey with the assistance of the Parent Advisory Committee. Hopefully, this information will provide substantial substance for the formation of a philosophical base of operation. Once this data has been compiled, the study committee will reconvene, review the feedback, and make a recommendation to the board for their consideration.

In the area of curriculum, we believe there is a definite need for a formalized physical education program and also an expanded health curriculum. Students should have the opportunity at an early age to develop individual physical skills as well as a healthy, physical and mental attitude. Thus we have asked, through the budgetary process, that consideration be given to adding a full time physical education instructor and also for an increase in the nurse's services. We strongly believe that these two additions will help strengthen the program offerings.

Another area that should be commented on briefly is staff development. We are continuing to refine our teacher programs and now we are beginning to reap the rewards in the classroom. With workshops in Remedial Reading, Learning Disabilities, Value Clarification, etc., teachers are developing new skills for reaching the exceptional child. The Litchfield staff should be commended for their fine response to the program. Participation and enthusiasm have been great.

In conclusion, Mr. Dolloff, I would like to thank you personally for your support during my short tenure in Supervisory Union No. 27.

Respectfully submitted,

Larry W. Burton
Assistant Superintendent

December 11, 1975

REPORT OF THE PRINCIPAL

December 23, 1975

Mr. Peter G. Dolloff
Superintendent of Schools
Litchfield, New Hampshire

Dear Mr. Dolloff:

I am happy to report that the plan for individualizing the program here at Griffin Memorial School is progressing well. This is the third and final year of Project SHARE, a major federally funded program. However, we intend continuing the concept of individually guided education throughout the entire eight grades.

Again our in-service training program (in tandem with Project SHARE outcomes,) is involved in a Rescheduled School Day. Bi-monthly we have early dismissal of students so that teachers may become involved in improving the curriculum and teaching methods. As a result of Rescheduled Time we have adopted the Wisconsin Design Word Attack and Study Skill Programs -- continuous progress programs with sequential skills and management record keeping systems. This is in effect throughout all 8 grades with teachers and students being interchanged for individual needs in specific areas regardless of grade levels. To further aid us we have become increasingly involved in Seresc - Staff Development Workshops. Last year I was unsuccessful in obtaining a full time Physical Education teacher. Again, this year I must reiterate the need for such a person and cannot stress too pointedly the importance of this post in rounding out our program here at Griffin Memorial and making the learning process a truly comprehensive experience.

This year we again have new staff members: Mr. Francis Hoell, our Special Education leader, has the added duty of an Assistant Principalship and Miss Constance Faro is our new Reading Specialist. Miss Lorraine Palmer has taken over as Speech Therapist and Miss Linda Jenness as Music Coordinator; Mrs. Gladys Mulcahey has joined the kitchen staff. In the

Primary Team we welcome Mr. Blaine Chickering and in the Jr. High Team, Mr. Charles Bolianites. The Hudson/Litchfield School Union is pleased to welcome Miss Lisa LeFevre to the new position of Pupil Personnel Director.

Parent involvement in our school and extra-curricular programs have continued to grow -- 92% in the Primary Group attended Parent/Teacher conferences, 90.7% in the Intermediate Group and 80% for the Jr. High. Two afternoons a week there are co-ed intramural activities with special transportation provided for participants: Soccer in the fall, basketball in the winter and baseball and track in the spring. The Parent Advisory Council continues to contribute valuable assistance. Mrs. Vicky Durzy is presently heading the Council and Mrs. Pat Pedersen is responsible for the P.A.C. Newsletter. A very special thanks must be tended to the many parents who contributed generously of their time and talents in constructing the new playground equipment -- a definite plus for the students.

Again I wish to express my gratitude to the various staff members who continue to make my tenure here so enjoyable; these include the secretary Mrs. Mary Frye and summer replacement secretary, Miss Karen Desjardins; Team Leaders Miss Martha McNaught, Mr. Robert Magher, Mr. Francis Hoell. Our Nurse Mrs. Candace Hale, and the Cafeteria Director Mrs. Theresa Pinard and her splendid staff and last but not least, to our custodians Mr. James Gass and Mr. Dennis Beaudry as well as every member of the teaching staff.

Special thanks must be expressed to the townspeople, Budget Committee, School Board and the Central Office for all the support and dedication to our policies and programs.

Respectfully submitted,

J. Richard Donegan
Principal

ANNUAL REPORT
DIRECTOR OF SPECIAL SERVICES
SUPERVISORY UNION NO. 27

As a still very new Director of Special Services, I would, first of all, like to thank the school district of Litchfield for providing me this opportunity. I am pleased and excited about the progress we have made and the changes we are already affecting. I would like to share some of these successes and future plans with you.

My foremost goal is to provide the best possible services to all our handicapped students. In order to do this, we must have a process of identification, program planning and implementation, and child need and program re-evaluation that is structured, consistent and realistic. To achieve this, I am directing myself and my staff towards ten distinct but closely interrelated goals. These are:

- 1) The formulation of a referral review team in each school and use of a standardized teacher-referral diagnostic battery and case study procedure.
- 2) The development of an individualized educational plan geared to a child's own pattern of strengths and weaknesses for each child receiving any sort of special education.
- 3) The exploration and full utilization of all appropriate community agencies and resources to supplement on-going public school programs.
- 4) The expansion of the kind of services Dr. Slatoff, Psychological Consultant, provides.
- 5) The upgrading of special services staff expertise in the areas of evaluation, objective and goal development, curriculum and intervention strategies. A wider dissemination of information and refinement of individualization planning processes to regular public school staff.
- 6) Immediate re-evaluation and continuous yearly re-evaluation of all children receiving special education.

- 7) The development of quarterly reports specific to the needs of children receiving special services.
- 8) The establishment of a truly parent advisory committee to meet every three weeks with the Director that is representative of all the disability areas we serve within the Supervisory Union.
- 9) The establishment of a professional steering committee to develop uniform coherent strategies and future directions for Special Services in the Supervisory Union that will meet quarterly with P.A.C.
- 10) The assessment of the value and appropriateness of the private placements for children in special services with particular emphasis on evaluating the feasibility of reintegrating individual students back into our public school programs.

In conjunction with this, the possibility of developing programs within the Supervisory Union and the region to service children privately placed and those in need and at this time receiving no services, is being explored.

I am presently working on every goal targeted above. To document our progress in each would be too cumbersome in scope, to undertake in this report. However, I would like to point out a few of the truly significant improvements that have taken place. Each school in the Supervisory Union now has a Referral Review Team with myself, Dr. Jack Slatoff, Psychological Consultant, and Paula Porter and Lorraine Palmer, Speech Therapists, acting as consultants to each team. A standard procedure for referrals, conferencing, obtaining parental permission for testing and programming, testing, recording results, meetings, and staffing with parents, has been formulated and is in operation. Testing when necessary and the development of individualized programs for each of these students is either completed or in process.

Presently we are utilizing, or developing plans to utilize, the following community resources: Community Council, Nashua Youth Council,

Nashua's Boy's Club, The Visiting Nurse Association, Crippled Children's Services, Vocational Rehabilitation, N.E.E.D.S., Inc. and the Lion's Club. We have also begun to service severely speech impaired pre-schoolers as well.

Every child in the Special Education Classes has already had or is in the process of receiving a complete re-evaluation. As a result of this process, five children in the Supervisory Union have been returned fully to regular classes and three more have been partially reintegrated. Three students have been returned from private placement or home tutoring to public school special services programs. This process should continue as more students are re-evaluated.

Our new quarterly reports for special education which contain checklists for each basic skill area, are being presented to parents for each marking period and it is my feeling that they greatly improve the quality of communication provided. A successful and positive representative special services parent body has been created and meets every three weeks. It appears to have become an articulate and supportive community liason.

There are many other areas where real progress has been made to improve programs and services. As our skills become refined and the body of knowledge in special services grows, more children with needs are referred. State laws and guidelines are also creating an increased awareness of, and demand for, special services. It is realistic to expect the number of students serviced within and outside the Supervisory Union to grow. It is our challenge to provide improved and perhaps new programs to meet this need in a reasonable and effective manner. I look forward positively to meeting this challenge, primarily due to the great support and direction provided by Mr. Dolloff and Mr. Burton and the great enthusiasm and dedication of the Special Services Staff.

Very Respectfully,

Lisa LeFevre
Director
Special Services

LITCHFIELD SCHOOL BOARD

REPORT OF THE CHAIRMAN

The Litchfield School Board has continued to see the basic educational philosophy of Individually Guided Education (IGE) mature into a more effective means of assuring each of our students the maximum educational experience according to his or her own ability. The growth has been the direct result of community and faculty commitment. The community has supported the IGE program both financially and - perhaps most importantly - with volunteer service in the school.

The Parent Advisory Council (PAC) has continued to function very effectively as a means for the school staff and the community to communicate directly in an honest effort to achieve maximum utilization of our school and community resources for the benefit of our youngsters. Two very important accomplishments of the PAC this year have been (1) coordination of an effective School Volunteer Program which must continue to grow if we are to meet our commitment to IGE, and (2) coordination and inspiration for the community-action project that resulted in the construction of a playground for our youngsters. (Those who were not among the thirty or more who worked that World Series Saturday missed a great satisfying day of fun and work.)

Your School Board very strongly supports greater community awareness and involvement in the process of educating our children. It has been very satisfying to see improvement in this area through:

1. The Parent Advisory Council
2. The School Volunteer Program
3. The League of Women Voters:
 - a. observer at School Board Meetings
 - b. establishment of a School Study Committee
4. The Building Study Committee

This has been the first full year of operation under the NEW Supervisory Union No. 27 (Hudson and Litchfield). It has been very gratifying to work this year in a true team spirit with the Hudson School Board. Throughout all of our working sessions there has been a constructive attitude of mutual respect and consideration. For this spirit the Litchfield Board is thankful.

An important addition to our Supervisory Union staff has been Ms. Lisa LeFevre as Director, Special Services. The laws and regulations relative to children requiring special educational considerations have

become complex beyond the layman's wildest dreams. You, the taxpayers of Litchfield, may be assured that you have received 200% return on your investment in this new service.

The Citizens of Litchfield can be grateful that there is a cooperative team spirit that runs through our education system right from Superintendent Dolloff through the entire staff of Griffin Memorial School. Though there has often been constructive differences of opinion, there has never been any doubt that the common goal is the best possible education from the facilities the community has made available.

At the time of preparing this report, Larry West has made known his intention not to seek re-election to the School Board on which he has served for the last six years. His contributions to the advancement of our community's educational programs have been greater than most realize. For all your service, Larry, we all say "Thank you for a job well done".

Respectfully,
Philip M. Reed,
Chairman, 1975
Litchfield School Board

REPORT OF THE 1975 SCHOOL BUILDING COMMITTEE

On October 2, 1975, the Litchfield School Board on recognizing the potential impact on our present educational plant of a rapid population expansion, established a School Building Committee. The extensive charge to the committee requires a preliminary report to the March 1976 School District Meeting.

The committee was established with 1 Planning Board Member, 1 Budget Committee Member, 1 PAC Member, 1 representative from the League of Women Voters, 1 teacher representative, 1 School Board representative, a member from the Supervisory Union Office and two citizens-at-large.

The committee has had several productive meetings where we received the growth indicators from the planning board; met with a representative of the architectural firm of Fenton G. Keyes, met with Mr. Gordon Tate of the New Hampshire State Department of Education, Division of

Administration, the Chairman of the Planning Board, and general meetings to review the accumulated facts and opinions.

At present, it is the conclusion of the committee that if the citizens support the efforts of the planning board to control our rate of growth, and there are no dramatic changes in our community trends, the present plant will be able to accommodate our needs until September 1979. (This is going from our present enrollment of approximately 380 students in grades one through eight to a projected 421 by June 1979.) Therefore, there is no need for any funding of the committee operations during the 1976-77 year.

Plans are being developed to survey the community with great assistance from the PAC. The survey will be designed to determine the sentiment of the taxpayers relative to such matters as year round programs, double sessions, adult education facilities, and in general determine how complete an educational program the people wish to support. From this information, the Building Committee will develop proposals for the March 1977 School District Meeting.

It cannot be too strongly emphasized that this committee wants all the citizen input it can get so that its 1977 proposals will be a meaningful reflection of the desires of the entire School District.

Respectfully,

Philip M. Reed,
Chairman 1975
School Building Study
Committee

Leon Calawa
Rita Albuquerque

Roger Sommers

LITCHFIELD SCHOOL DISTRICT MEETING

MARCH 1, 1975

Moderator David A. Campbell called the meeting to order at 7:45 P.M. Rev. Robert Higgins offered the invocation and then those present were led in the flag salute.

The warrant was read by the moderator and he stated that the meeting would be run under moderator's rules, and that permission be granted to Superintendent Dollof and Principal Donegan, so that they be allowed to speak at the meeting.

ARTICLE 1 — Carl Peterson made a motion, seconded by Eugene Pelkey, to see if the District will authorize the school to make application for and to receive in the name of the District such advances, grants in aid or other funds or property for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire or any other federal, state or private agency. MOTION CARRIED.

ARTICLE 2 — Philip Reed made a motion, seconded by Eugene Pelkey, that we pass temporarily over Article 2 and take up Article 3 and then return to Article 2. MOTION CARRIED.

ARTICLE 3 — Raymond Durocher made a motion, seconded by John Callahan to see if the District will vote to establish a five member school board pursuant to Revised Statutes Annotated Chapter 197, Section 15. Said board to be created by electing three members at the annual school district election in 1976, two members for three-year terms, and one member for one-year term; and said board to be maintained by electing two members for three-year terms in 1977, one member for a three-year term in 1978, two members for three-year terms in 1979, and so on in succeeding years.

Lorraine Pelkey explained that several citizens requested this article but did not petition it. She spoke in favor of it. Philip Reed opposed the article. John Mango and Hani Durzy spoke in favor of it. MOTION CARRIED.

ARTICLE 2 — The moderator pointed out that the budget would be taken up by Series.

Series 100 — Administration.

110 — Salaries of District Officers — \$1,010.00. Motion by Carl Peterson, seconded by Tom Levesque. MOTION CARRIED.

135 – Contracted Services – \$525.00. Motion by Tom Levesque, seconded by John Mango. MOTION CARRIED.

190 – Other Expenses – \$1,325.00. Motion by Carl Peterson, seconded by Tom Levesque. MOTION CARRIED.

TOTAL 100 SERIES \$2,860.00.

Series – 200 – Instruction

210.1 – Salaries of Teachers and Principal.

Sandra Graves moved that 210.1 thru 210.9 be taken item by item. John Callahan seconded. MOTION CARRIED.

1st MOTION – Hani Durzy moved to accept 210.1 for \$199,223.00, seconded by Philip Reed. Sandra Graves pointed out that there is a 12.2% raise in salaries. Philip Reed pointed out that the \$8,000.00 difference is for a Physical Education/Health Science teacher. Sandra Graves was against the proposed budget at this time. Virginia Hokenstrum called surrounding towns and pointed out that they didn't have raises and contracts like Litchfield's.

Fran Martineau suggested that the teachers should renegotiate. Leon Calawa, Jr. asked about the steps raise the teachers were getting. Lorraine Pelkey said that the teachers refused the steps raise but were in favor of the cost of living raise. Arthur Lynch was against the 12.2% raise. Hani Durzy asked for a Secret Ballot. 82 ballots cast, 6 Yes, 76 No. MOTION DEFEATED.

2nd MOTION – Thomas Levesque moved that 210.1 be \$171,661.00 for 1974-75 a 6.1% which is \$10,471.00, totaling \$182,132.00 plus a PE/HS Teacher at \$7,639.00 which is a grand total of \$189,771.00. Frank Martineau and Sandra Graves seconded. A standing vote was taken. 73 cast, 29 Yes, 44 No. MOTION DEFEATED.

3rd MOTION – Arthur Lynch moved to have 210.1 be \$171,661.00 plus a 5% increase totaling \$180,244.00. Kenneth Thibodeau seconded. A ten minute discussion was held on the pros and cons of hiring a PE/HS Teacher. A voice vote was taken. 28 Yes, 45 No. NO TEACHER. A standing vote was taken on Lynch's motion. 75 cast, 65 Yes, 10 No. MOTION CARRIED.

4th MOTION – Lorraine Pelkey, seconded by Shirley Reed, moved to rescind the previous vote to raise it to 6.1%. Both Lorraine Pelkey and Shirley Reed go on record as voting Yes to A. Lynch's motion. A Secret Ballot was taken, 80 ballots cast, 53 No, 27 Yes. MOTION DEFEATED.
